MUNICIPAL ENGINEERING INDEX

VOL. LIV. JANUARY—JUNE, 1918.

Capital Letter E refers to Editorils.

A Labor Fallacy, E..... 2
Activated Sludge Process of Sewage Treatment, Filtros Air Diffusing Plates Used in 78
Air Compressor, Portable, Versatility of 160
Air Equipment, Portable, Using on Brick Pavement Repairs 51
Asphaltic and Non-Asphaltic Road-Oil Specifications, by J. W. Howard.....223
Asphalt Mixing Plant, Owned by Worcester, Mass., Data on Operation of, by Albert T. Rhodes..... 52
Asphalt-on-Concrete-Base Road Construction, Specifications for, by D. T. Pierce 53
Asphalt Paving work with Portable Asphalt Plant in California, by T. E. Stanton 223
Asphalt Plants, Portable, Retain Popularity 41
Asphalt Plant, Portable, Data on Work Within California, by T. E. Stanton..223
Asphalt Streets, New Machine Successfully Employed in Repairing.....211
Asphaltic Macadam Road Building in the Michigan Copper Range, by C. C. Lakin 7

Backfiller, Trench, an Improved..... 78
Backfilling Machine of Special Design, Employing on Heavy Sewer Work in Chicago 196
Bankhead National Highway.....253
Better Pay for Railroad Civil Engineers Will Help All Civil Engineers, E.....132
Blasting in City Streets, Methods Employed and Precautions Observed, by L. D. Steele.....260
Brick Conveyors, Gravity, Save Time and Money for Contractors.....213
Brick Pavement, Careless Construction Causes Early Failure, by Harlan H. Edwards 54
Brick Pavements, Modern Design and Constructional Features of, by F. A. Churchill 184
Brick Pavement, Small Monolithic, Using Home-made Equipment in Constructing, by Fred R. Charles.....137
Brick Road Monolithic, South Meridian St., Indianapolis, Ind., Construction Plant and Methods Employed in Building, by Maurice B. Greenough..... 10
Bituminous Pavements, Adaptable to Various Conditions, with Special Reference to Type and Thickness, by L. Kirschbraun 101
Bituminous Sheet Pavements, Bumps and Waves in, by W. L. Hempleman..138
Building Columns, Fire Tests of, Apparatus and Procedure Used in Making, by W. H. Merrill.....154

Cable-way Carriage for Operating Clamshell Buckets on Cableways..... 77
Canal and Lock, Industrial, the Proposed at New Orleans.....168
Carburetor, Twin-service, Money Saving 148
Car Loader and Unloader, Automatic..211
Carts and Wagons, Sanitary, Popular Line of 213
Catchbasin vs. Inlet, The Prince of Denmark on 196
Catchbasins, Sewer, Design and Cleaning of, by George A. Carpenter.....147
Cement-gun, Use of in Construction of Water and Sewerage Works.....235
Centrifugal Pump Design, New Feature in 210
Changes Favorable to Construction, Fundamental, E 221
Chlorine Compounds in Water Purification and Sewage Treatment, Results Secured by, by C. A. Jennings.....249
Chlorination, Public Water Supplies in Michigan, Results of, by E. D. Rich and Earl L. Waterman.....114
City Engineer, Superintendent of Water Works and Sewers, E..... 90
City Planning as an Engineering Problem, by Nelson P. Lewis.....258
Clam-shell Buckets, Locking Cableway Carriage for Operating on Cableways.. 77
Cleaning, Mechanical, of Water Mains, in Rochester, N. Y., by Edward H. Keith 16
Coal and Boiler, by Charles Brossman..140
Coal Storage Systems for Cities, Economical 121
Cobwell Method of Garbage Disposal, Experience at Los Angeles with..... 28
Columns, Building, Fire Tests of, Apparatus and Procedure Used in Making, by W. H. Merrill.....154
Compressed Air Equipment, Used by Ohio Highway Department in Repairing Brick and Concrete Roads.....252
Compressed Air Equipment, Used on Street Repairs 252
Concrete Bridge, Reinforced, Franklin Street, Waterloo, Iowa, by E. K. Borchard 67
Concrete in Water Tank Construction, Range of Results Obtainable in Use of, by C. C. Whitaker..... 96
Concrete Mixer, Building, Contractor Adapts to Grouting..... 78
Concrete Mixer Loader, Koehring.....254
Concrete Mixer, Low Loading, with Four-motion Mix 161
Concrete, Mixing and Placing, New Pneumatic Process of..... 39
Concrete Pavement, Light Canvas Strips for Floating, by Charles T. Fischer.. 74
Concrete Pavements, Reinforcement for 9
Concrete Pipe, Reinforced, with Special Locking Joints 121
Concrete Reservoir, Reinforced, with Plant and Methods Employed in Building at Highland Park, Mich., by Paul Teas 190
Concrete Roads, Essentials of Good Practice in Construction of, by Edwin K. Borchard 104
Concrete Roads, Reinforced, Plant and Methods Employed in Building at Camp Custer, by George A. Burley...180
Concrete Roads, Wayne County, Michigan, Construction Plant and Methods Employed in Building.....134
Concrete Roads, Wood County, West Virginia, Design and Construction of, by Burdette Woodyard..... 12
Concrete Submerged Sewer Outfall, Precast Reinforced, Construction of at Lakewood, Ohio 147
Concrete Surfacing Machine, A Rotary..120
Concreting Forms, Built of Steel, Successful Use of, on Chicago Track Elevation 155
Condensing Apparatus, Water Works Plants, Use of.....243
Construction Costs After Other Great War Periods, E.....176
Construction Engineers' Office, Procedure in, by H. W. Skidmore.....170
Construction Methods, Standard, E....222
Construction of Sewers in Chicago, Organization of Forces, Plant and Methods Employed, by Herbert E. Hudson.228
Conveyor, Scoop, Portable..... 41
Creosote Oil Specifications, Chicago, Attack on Fails.....209
Crusher, a Portable, Popular with Road Builders 80
Curb Bar, a Round Nose..... 77
Culvert Form, Collapsible, the One-man 76

Dayton, Engineers' Club of, New Club Building 67
Design and Construction of Sewage Siphons and Ejectors, Automatic, Procedure in and Maintenance of, by S. Fischer Miller 5
Ditching Wet Spots, Using Dynamite in 46
Drainage, Land, Outlook for in 1918, by A. H. Beitman.....205
Drilling Blast Holes, Cost of.....252
Dual System of Water Supply, Recommended for Eastern Cities, by Robert J. Thomas 15
Dynamite, Using in Ditching Wet Spots 47

Eductor for Cleaning Sewer Catchbasins, Auto, Performance Data on....196
Electro-chemical sewage Treating Process, as Operated at Decatur, Ill., in 1916, by W. S. Shields..... 68
Elevating Grader, Good Record of on Irrigation Reservoir Construction..... 34
Engineering, Stress the Word, E.....222
England and France, Can We Learn from? E 1

Form, Wood Joist, A Collapsible..... 79
Fort Madison (Iowa) Water Works Plant, Method of Reconstructing on Site of Old Plant.....240
Freight Via Motor Truck, Route Your..117
First-class Engineering, An Example of, E 176
Filtros Air Diffusing Plates Used in the Activated Sludge Process of Sewage Treatment 78
Financing Pavement Construction and Renewals, Argument for Changing Method of, by Charles A. Mullen.....226
Fire Hydrants, Minneapolis, Procedure in Maintenance of..... 43
Flushing, Sprinkling, Refuse Collection Equipment, Combination, New York Department of Street Cleaning, by J. T. Fetherston 34
Fundamental Changes Favorable to Construction, E 221

Garbage Disposal by Dumping, Sanitary Fill, Burial or Plowing..... 29
Garbage Disposal, Cobwell Method of, Experience at Los Angeles with..... 28

7 1 19

628.05 M92
v. 54

Garbage Wagons in Use in Ottawa, Ont., by A. F. Macallum..... 32
Gas Engine Dependable, Salamanca Finds 144
Gasoline Engine Efficiency, by W. F. Schaphorst 75
Grades for Various Types of Pavements, Choosing Proper, by William Adlen Brown 186
Grading Outfits, Tractor, Experience with in Miller County, Mo., by S. C. Knight 74
Granite Block Pavements, Approved Practice in the Construction of, by Clarence E. Pollock..... 55
Granite Block Pavement, Design and Construction of, by George W. Tillson 177
Gravel Roads, Kane County, Ill., Method and Cost of Building, by George N. Lamb 227
Gravity Brick Conveyors Save Time and Money for Contractors.....213
Grouting, Contractor Adapts Building Concrete Mixer to..... 78

Highway Bridges, Pettis County, Mo., by T. O. Stanley..... 73
Hydro-electric Power Plant at Fort Dodge, Iowa, and the New Municipal Dam, Design and Construction of, by R. E. McDonnell.....187

Incinerator Plant at Savannah, High Temperature, Operation of, for Three Years and Nine Months, by E. R. Conant 60
Industrial Waste Problems, with Reference to the Smaller Cities, by Langdon Pearse 18
Infiltration Gallery in Los Angeles River, Reinforced Concrete, Unique Method of Building, by C. W. Geiger..... 33
Imhoff Sewage Settling Tanks, Suggestions on Design of, by C. E. and P. E. Mebus 149
Irrigation in 1918, Unprecedently Good Outlook for, by F. W. Park..... 29
Irrigation Systems, Overhead, in Small Gardens Within Reach of City Water Works Plants, Features of, by W. H. Coles 111

Joints in Pipe Sewers, Tight, Method and Cost of Making, by W. W. Dixon.193
Joints in Vitrified Clay Sewer Lines, Making Tight, by DeWitt H. Wyatt...253
Joints, Poured, for Vitrified Pipe Sewers, Latest Developments in, by H. P. Boynton 91

Lakes to Gulf Deep Waterway, Imperative Need of, by H. B. Morgan..... 6
Land Drainage, Outlook for, in 1918, by A. H. Beitman.....205
Land Dredge of Walkng Tiype, New....120
"Lightning" Loader Skips, Heltzel..... 80
Loader, Box Car, A Rotary Paddle Wheel 212
Loader Skips, Heltzel, "Lightning".... 80
Lock Joint Sewer Tile, Procedure in Construction of 146
Locomotive, Steam, and Oil Burning.... 38

Manhole Frame, Adjustable, Collapsible.162
Manhole Top, An Adjustable..... 38
Matheson Joint Steel Water Mains, "National," Use of, by F. N. Speller..... 27
Mayfair Pumping Station, Chicago Water Works 237
Meterage for Chicago Again Recommended, E 48
Military Highways and Main Market Roads, For, E..... 47
Military Highways, Vital Element of National Defense, by Charles N. Forrest 158
Military Roads Essential—Ten Billions of Farm Products and Only Five Per Cent. of Good Roads, by F. A. Churchill 50
Military Roads, Texas, The Proposed, by George A. Duren..... 81
Mining and Tunneling Machine, A.....212
Mixer Loader, Concrete, Koehring.....254
"Municipal," That Word, E..... 2
Motor Freight Haulage, Facilitating....116
Motor Freight Highways Will Aid in Solution of Transportation Problem..... 36
Motor Street Flushers, Experience with in Bethlehem, Pa..... 73
Motor Truck, Route Your Freight Via..117
Motor Truck Routes, U. S. Intercity, Parcel Post 127
Motor Truck Furnishes Power to Operate Tool Room in Factory.....214
Motor Truck Trailer, Economics of the, by Leigh Lynch..... 77
Motor Truck Trailer, The Highly Developed 122
Motor Truck, 3½-ton, Replaces Seven Teams and Seven Men.....122
Motor Truck, 2½-ton, 6-cylinder, Performance of a..... 22
Motor Truck, 2-ton, Popular with Contractors 39
Motor Truck Used as Water Sprinkler, Road Oiler, Fire Extinguisher, Refuse Wagon and for Piling and Hauling Snow 117
Motor Trucks, Buy Now, E..... 2
Motor Trucks Transporting Freight by, Unbroken Bulk Big Feature in.....118
Motor Trucking, Long Distance, by Chas. E. Stone 118

National Road Plans, Speed-up, E..... 89

Office of Construction Engineer, Procedure in, by H. W. Skidmore.....179
Oil Engine, An Improved.....212
Oil Separator for Excluding Gasoline from Sewers, New York Ordinance Requiring 194
Original Matter, E..... 90
Over 3,000, E..... 48
Ozone Method of Water Treatment and Examples of Recently Installed Industrial Plants, by Irwin D. Groak.....200

Parcel Post Motor Truck Routes, U. S. intercity 127
Pavements, Brick, Modern, Design and Constructional Features of, by F. A. Churchill 184
Pavements, Bituminous, Adaptable to Various Conditions, with Special Reference to Type and Thickness, by L. Kirschbraun 101
Pavements, Bituminous Sheet, Bumps and Waves in, by W. L. Hempleman.138
Pavement Foundations, Considerations Affecting the Design of, by H. J. Fixmer 133
Pavement, Concrete, Light Canvas Strips for Floating, by Charles T. Fischer... 74
Pavements, Concrete, Reinforcement for 9
Pavement Construction and Renewals, Financing, Suggested Change in Method. by Charles A. Mullen.....226
Pavement, Granite Block, Design and Construction of, by George W. Tillson.177
Pavements, Proper Grades for Various Types, Choosing, by William Alden Brown 186
Paved Streets, Existing, Resurfacing....117
Pavement, Wood Block, Destruction of Due to Use of Tar in Creosote Oil, by P. C. Reilly.....183
Pavements, Wood Block, Recommended Procedure in Construction of, by Lambert T. Ericson.....139
Pipe Sewers, Sanitary, Vitrified, Practical Hints on Design and Construction of, by Charles E. Collins..... 62
Pipe Sewers, Tight Joints in, Method and Cost of Making, by W. W. Dixon.193
Pipe Sewers, Vitrified, Poured Joints for, Latest Developments in, by H. P. Boynton 91
Pipe Vise, Chaingrip, with Novel Features 121
Plant Operation, Public Utility, Practical Measures for Securing Greatest Economy in, by Chas. Brossmann..... 13
Pneumatic Process of Mixing and Placing Concrete, The New..... 39
Portable Asphalt Plants Retain Popularity 41
Power Plant, Hydro-Electric, at Fort Dodge, Iowa, Design and Construction of, by R. E. McDonnell.....187
Power Winch on Motor Truck Hoists 60-ft. Smoke Stack.....122
Producer Gas Engines, Successful Application of, in Water and Electric Light Plants 17
Public Improvements, Proposed, Individual Merit of, E.....175
Public Water Supples in Michigan, Chlorination of, Results of, by E. D. Rich and Earl L. Waterman.....114
Pumping Station, Mayfair, Chicago Water Works 237

Recreation Camps, Water Supply and Sewerage of, at Lake Geneva, Wis., by W. S. Shields.....192
Reservoir, Covered, Waban Hill,, Newton (Mass.) Water Works, by Edwin H. Rogers 239
Resurfacing Existing Paved Streets.....117
Roads and Pavements, Basic Principles of Design, Construction, Maintenance and Financing, by J. W. Howard..... 8
Road Builders, Some New Machinery for 123
Road Building, Asphaltic Macadam in the Michigan Copper Range, by C. C. Lakin 7
Road Building Entirely by Machinery, Conspicuous Success of..... 76
Roads, Concrete, Wood County, West Virginia, Design and Construction of, by Burdette Woodyard..... 12
Roads, Improve, We Must to Win War, by Will P. Blair.....159
Roads in France, Military, American Built Will Endure.....210
Road Machinery, Greater Use of on Construction Indicated in Minnesota, by John H. Mullen.....125
Road Machinery, The Farmer and, E... 48
Road Maintenance, Need of More Intensive in Minnesota, by John H. Mullen 125
Road Men, Selecting in North Carolina, By B. H. Winslow.....107
Road-oil Specifications, Asphaltic and Non-asphaltic, by J. W. Howard.....223
Road Plans, National Speed-up, E..... 89
Roads, Reinforced Concrete, Plant and Methods Employed in Building at Camp Custer, by George A. Burley....180
Road Tar, Growing Use of.....228
Roads, Viable, Necessary Quickly for War Efficiency, by Lieut. Col. J. W. Howard 106
Roof Construction, Fireproof, Speed in.156

Sand-sweeping Machine, A Satisfactory 80
Sanitary Carts and Wagons, Popular Line of 213
Saw Rig, The Eveready..... 80
Scraper, Shovel, Power.....121
Sectionalism, Shall We Encourage a Revival of? E..... 47
Serving Our Field, E.....132
Sewers, Construction in Chicago, Organization of Forces and Plant and Methods Employed, by Herbert E. Hudson.228
Sewage Settling Tanks, Imhoff, Specific Suggestions on Design of, by C. E. and P. E. Mebus.....149
Sewage Sludge, Simple and Inexpensive Method of Lifting to Sludge Beds or Out-fall Sewer, by Alexander Potter.. 91
Sewage Treating Process, The Electro-Chemical, as Operated at Decatur, Ill., in 1916, by W. S. Shields..... 68
Sewage Treatment Plant at Xenia, Ohio, New, by W. J. Sherman.....151
Sewage Treatment, Development of, by Kenneth Allen 244
Sewage Treatment Plant, Recent Improvements at Alliance, Ohio, by R. Winthrop Pratt 198
Sewage Treatment Works, Design of, Some Points Worth Considering in, by J. H. Gregory.....203
Sewage Treatment Works, Philadelphia, N. E., Some Characteristic Design, Features of, by W. L. Stevenson.....112
Sewer Catchbasins, Auto Eductor for Cleaning, Performance Data on.....196
Sewer Catchbasin, Design and Cleaning of, by George A. Carpenter.....147
Sewer Design and Construction, Present Tendencies in, by H. K. Barrows.....144
Sewers, New York Ordinance Requiring Oil Separator for Excluding Gasoline from 194
Sewer Outfall, Reinforced Concrete Submerged, Construction of Precast at Lakewood, Ohio 147
Sewers, Sanitary Vitrified Pipe, Practical Hints on Design and Construction, by Charles E. Collins..... 62
Sewer Systems, Separate and Combined, eradons Affecting the Choice Between, by Paul E. Green..... 95
Sewers; When to Build and How to Pay, by Louis L. Tribus..... 65
Sewerage Work in Illinois, Modern Construction Plant and Methods Employed on 92
Shipyards, Workers for, E..... 90
Shovel, Power Scrapers.....121
Sidewalk Construction, Observations on Common Practice in, by W. D. Gerber.256
Sludge, Sewage, Simple and Inexpensive Method of Lifting to Sludge Beds or Outfall Sewer, by Alexander Potter... 91
Standard Construction Methods, E.....222
Steam Jets to Thaw Three Feet of Frost, Using 75
Steam Locomotive, An Oil Burning.... 38
Sterilization, Ultra-violent Ray, Henderson (Ky.) Water Supply..... 21
Stone Crushing Outfits to Utilize Street and Road By-products..... 8
Street Cleaning, Combination Flushing-Sprinkling-Refuse Collection Equipment of New York City, by J. T. Fetherston 34
Street Flushers, Motor, Experience with in Bethlehem, Pa..... 73
Street Lighting, Economical and Ornamental, Hints on, by F. M. Jourdan..255

Street Railway Subway Terminal, Buffalo, N. Y., Proposed....167
Stress the Word Engineering, E....222

Telephone Conduits, Suburban, Methods and Equipment Employed in Constructing....218
Texas, Military Roads of, The Proposed, by George A. Duren.... 81
Thawing Three Feet of Frost, Using Steam Jets for.... 75
Tractor Grading Outfits, Experience with in Miller County, Mo., by S. C. Knight 74
Tractor Truck, A Handy.... 39
Tractor, 3-wheel, An Efficient....212
Trailer, Motor Truck, Economics of the, by Leigh Lynch.... 77
Trailer, Motor Truck, The Highly Developed....122
Transportation Problem, Motor Freight Highways Will Aid in Solution of.... 36
Transporting Freight by Motor Trucks, Unbroken Bulk Big Feature in....118
Trenching for Water Mains and Services, Cost of, by Machine, at Erie, Pa., by E. W. Humphreys....189
Truck, A Handy, Tractor.... 39
Tunneling and Mining Machine, A....212

Ultra-violet Ray Sterilization, Henderson (Ky.) Water Supply, Successful.. 21
Underground Structures, Keeping Records of in Baltimore, by M. J. Ruark..260

Valve, Back Water and Sewer Gas, The Pennie....120
Ventilating Duct Systems, Calculator for Proportioning....160
Vitrified Clay Sewer Lines, Making Tight Joints in, by DeWitt H. Wyatt....253

Waste Problems, Industrial, with Reference to the Smaller Cities, by Langdon Pearse.... 18
Watering and Unwatering an Industrial Plant, and Its Relation to the Public Water Supply, by William F. Wilcox..206
Water Consumption in St. Louis, Measures Adopted to Curtail, by Edward E. Wall....110
Water Mains and Services, Cost of Machine Trenching for, at Erie, Pa., by E. W. Humphreys....189
Water Mains, Mechanical Cleaning of, Rochester, N. Y., by Edward H. Keith 16
Water or Gas Leakage, Simple Recording Instrument for Measuring.... 79
Water Purification and Sewage Treatment, Results of Use of Chlorine Compounds in, by C. A. Jennings....249
Water Purification and Softening Plant, Great Falls, Mont., by Robert E. McDonnell.... 3
Water Service Pipes, Mains and Hydrants, Practice in Thawing at North Attleboro, Mass., by Wm. Plattner...157
Water Supply and Sewerage of Recreation Camps at Lake Geneva, Wis., by W. S. Shields....192
Water Supply, Dual System, Recommended for Eastern Cities, by Robert J. Thomas.... 15
Water Supply, Meridian, Miss., Improving Quality of, by M. L. Worrell....142
Water Supply of Camp Meade, Md., 79th National Army Division, Details of Design and Construction, by Morris Knowles.... 49
Water Supply, Rivers as Sources of, by Robert Spurr Weston.... 59
Water Tank and Tower Construction, Special Features in, by Max Whitacre....190
Water Tank Construction, Concrete, Range of Results Obtainable in Use of, by C. C. Whitaker.... 96
Water Treatment, The Ozone Method of, Some Examples of Recently Installed Industrial Plants, by Irwin D. Groak..200
Waterway, Lakes to Gulf, Imperative Need of, by H. B. Morgan.... 6
Water Works Design, Breadth of View in by John W. Alvord.... 57
Water Works Design, Practical Hints on Various Features, by J. W. Ledoux.. 23
Water Works Materials, Present High Prices of Will Continue, by Robert E. McDonnell....238
Water Works Plants, Features of Overhead Irrigation Systems in Small Gardens Within Reach of, by W. H. Coles.111
Water Works Plant, Fort Madison, Ia., Methods of Reconstructing on Exact Site of Old Plant....240
Water Works Plants, Use of Condensing Apparatus in....243
Water Works Reservoir, Newton, Mass., Waban Hill, Covered, Design, Features of, by Edwin H. Rogers....239
Water Works, Waltham, How Deficit of $2,000 Was Changed to Surplus of $2,700 in One Year, by Bertram Brewer....108
Weeds, Chemical Method of Killing....161
Wheatless Days and Undrained Acres, E....176
Wood Block Pavement, Destruction of, Due to Use of Tar in Creosote Oil, by P. C. Reilly....183
Wood Block Pavements, Recommended Procedure in the Construction of, by Lambert T. Ericson....139
